THE COMPANIES ACT 2006 PRIVATE COMPANY LIMITED BY GUARANTEE ARTICLES OF ASSOCIATION OF SMALL CELL FORUM LIMITED

(Formerly Femto Forum Limited)

*(Adopted by special resolution passed on 1 August 2014 as amended
by special resolution passed 31 December 2014)¹*

Introduction²

The Small Cell Forum is a not-for-profit membership organisation which aims to accelerate small cell adoption to change the shape of mobile networks and maximise the potential of mobile services.

The Small Cell Forum, working at the direction of an executive committee, elected by its members (the Executive Board (as defined below)) sets key policy priorities in line with the Objectives of the Forum (as set out in Article B on pages 6 and 7 of this document), reviews and amends those priorities from time to time. At the date on which these articles of association were adopted by the members of the Small Cell Forum (as set out above) those key policies are as set out in Annex 1 to these articles of association

The Small Cell Forum is housed within an English company limited by guarantee (the details of which are set out above). The members of the Small Cell Forum are also "members" of the company for the purposes of English company law, and have the rights and responsibilities set out in law and in these articles of association according to that status. These articles of association are binding upon members, and can be amended from time to time in accordance with their terms.

Where the Small Cell Forum achieves its aims through holding formal meetings or working groups those proceedings will be regulated in line with the terms of this document.

The directors of the Small Cell Forum for the purpose of Company law are known as the Secretariat. These individuals are not members of the Small Cell Forum (in a personal capacity), but may additionally be an employee of a member or a Nominated Representative (as that term is defined in the Articles) of a member. The Secretariat administers the activities of the Small Cell Forum on the basis of this document, the general law and the Term of Reference set down from time to time by the Executive Board.

¹ The amendments implemented by this special resolution reflect: (i) the closing of the Observer class of Member to the new entrants; and (ii) the addition of the Explorer class of Members.

² This introductory section is to assist members and potential members of the Small Cell Forum to understand the interrelationship between the Small Cell Forum (the membership organisation) and the Small Cell Forum Limited as well as the part that this document (the articles of association of the Forum) plays in regulating that relationship and the relationship between, and admission and exclusion of, the members of the Small Cell Forum. This section is for explanatory purposes only and is not intended to be legally binding or to affect the construction or interpretation of the articles of association themselves.

7. In the event that the Executive Board has resolved in accordance with Article H5 or H6 that more than one Member of the same Group shall be permitted to remain or become a Member, where one or more of such Members have voting rights at a meeting of the Members, only one Member's vote shall be counted in respect of a vote on any resolution.
8. Members may attend and vote and shall be deemed to be 'present' for the purpose of these Articles at a meeting of the Members in person, by proxy or by suitable electronic or telephonic means in which the relevant Member may communicate with all the other Members (which shall include but not be limited to WebEx) and is authorised by the Executive Board for such purpose by the details of such means being included with or on the notice of the relevant meeting.

Notice of a Meeting

9. The Secretariat or the Executive Board may call a general meeting of the Members at any time.
10. The minimum periods of notice required to hold a meeting of the Members are:
 - (a) twenty-eight days for an AGM;
 - (b) fourteen days for a general meeting.
11. The notice must specify the date, time and place of the meeting and shall include a draft agenda. If the meeting is to be an AGM, the notice must say so and shall set out:
 - (a) those Members that have applied for appointment as an Ordinary Executive Board Member (and indicate whether a vote in respect of their appointment will be required); and
 - (b) the person or persons nominated for appointment to position of Chair of such AGM.

Quorum

12. No business shall be transacted at any meeting of the Members unless a quorum is present when the meeting proceeds to business.
13. A quorum for a meeting of the Members is no less than 10 Full Members, present by any means provided for in Article J8, entitled to attend and vote upon the business to be conducted at the meeting (including any validly appointed proxy of such person).

Appointment of Proxies

14. A Full Member may appoint one of its employees or that Full Member's legal adviser or a Full Member as his proxy to attend, speak and vote in his absence at a meeting of the Members. Proxies may only validly be appointed by a notice in writing (a "**Proxy Notice**") which:
 - (a) states the name and address of the Full Member appointing the proxy;
 - (b) identifies the person appointed to be that Full Member's proxy and the meeting of the Members in relation to which that person is appointed;
 - (c) is signed by or on behalf of the Full Member appointing the proxy, or is authenticated in such manner as the Secretariat may determine; and
 - (d) is delivered to the Small Cell Forum, marked for the attention of the Secretariat, in accordance with the Articles and any instructions (which may include the time and date by which such form must be received to be counted) contained in the notice of the general meeting to which they relate.
15. The Small Cell Forum may require Proxy Notices to be delivered in a particular form, and may specify different forms for different purposes.
16. Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.
17. Unless a Proxy Notice indicates otherwise, it must be treated as:
 - (a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
 - (b) appointing that person as a proxy in relation to any adjournment of the meeting of the Members to which it relates as well as the meeting itself.

Delivery of Proxy Notices

18. A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a meeting of the Members remains so entitled in respect of that meeting or any adjournment of it, even though a valid Proxy Notice has been delivered to the Small Cell Forum by or on behalf of that person.
19. An appointment under a Proxy Notice may be revoked by delivering to the Small Cell Forum a notice in writing addressed to the Secretariat given by or on behalf of the person by whom or on whose behalf the proxy notice was given.
20. A notice revoking a proxy appointment only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.
21. If a Proxy Notice is not executed by the person appointing the proxy, it must be accompanied by written evidence of the authority of the person who executed it to execute it on the appointor's behalf.

22. The meetings of Members shall be chaired by the Chair who shall be appointed as set out in Article J22 to J27 (inclusive):
- (a) The Secretariat shall, no less than 60 days prior to the AGM invite nominations, by posting a notification on the Members' area of the Small Cell Forum's extranet and by email notification to the Nominated Representatives of the Full Members, from the Full Members for persons (who do not have to be a Member) to be appointed as the Chair for the period from the close of the upcoming AGM until close of the AGM immediately following the upcoming AGM. The notice of AGM shall contain the names of each person so nominated and shall indicate that such person wishes to be appointed as the Chair.
 - (b) If more than one person is so nominated then the nominee in respect of whom the most votes are cast at the AGM shall be appointed as the Chair. Such appointment shall take effect on and from the close of that meeting.
 - (c) In the event that no nominations are received for the position of Chair by the date on which the AGM notice is dispatched, then as the first act of the Executive Board elected at that AGM, the newly appointed Executive Board shall elect one of their number or the CEO to serve as the Chair until close of the immediately following AGM.
23. Subject to the second sentence in this Article J.23, the Chair and any Vice Chair shall not be entitled to vote in respect of any resolution of, or proceedings of, the members of the Small Cell Forum. In the case of an equality of votes at any meeting of the Members, whether on a show of hands or a poll, the Chair shall be entitled to a casting vote.
24. The Executive Board may from time to time at its sole discretion appoint from the Full Members, and remove (in the manner set out below), a person to serve in the role of Vice-Chair. If the Chair is removed from office or unable to attend any meeting then, subject to Article J25, the Vice-Chair, for the time being appointed, shall assume the Chair's rights and responsibilities. A Vice-Chair may be removed by way of notice to the Vice-Chair (with confirmatory notice being published on the Members' area of the Small Cell Forum's extranet).
25. The Executive Board may from time to time at its sole discretion appoint, and remove (in the manner set out below), a person to serve as a Regional Chair. Such person shall, once appointed:
- (a) represent the Small Cell Forum in the relevant Region in line with the scope of their appointment, as directed and amended by the Executive Board from time to time; and
 - (b) where directed by the Chair to do so and in his absence, assume the Chair's rights and responsibilities as the Chair of the Small Cell Forum at a named meeting or a named meeting of the Small Cell Forum.
- A Regional Chair may be removed by way of notice to the relevant Regional Chair (with confirmatory notice being published on the Members' area of the Small Cell Forum's extranet).
26. If, in the sole discretion of the Executive Board, the Chair acts in a manner that is detrimental to, or fails or omits to act and such failure or omission causes a detriment to, the Small Cell Forum, then Executive Board may remove the Chair from office by way of notice to the Chair (with confirmatory notice being published on the Members' area of the Small Cell Forum's extranet). If the Chair is removed then the Vice-Chair shall fulfil such role until the close of the next AGM, when the new Chair is appointed.

27. Subject to the circumstances where a person has been removed on the basis set out in Article J26 (when such person shall not be eligible for appointment or election to the post of Chair), there are no limitations on the ability of any person to serve more than one or consecutive terms as Chair.
28. In the absence of the Chair, Vice-Chair, or relevant Regional Chair or if the Chair, Vice-Chair or relevant Regional are unwilling or unable to preside or are not present within 30 minutes after the time appointed for that meeting, the Executive Board Members present may by simple majority of those present at such meeting appoint one of their number to chair that meeting.
29. The Chair, Vice-Chair and Regional Chair shall be entitled to claim for out-of-pocket expenses properly incurred in connection with serving as the Chair as agreed by the Executive Board from time to time.

 - (c) review and set the Annual Fee from time to time.

3. In addition, the Executive Board may:
- (a) issue additional by-laws, rules or policies from time to time but no such by-law, rule or policy shall become effective and binding on the Members unless and until approved by a majority of at least 75 per cent of the votes cast by Members at a meeting of the Members;

and the Chair and any Vice Chair for the time being appointed who shall also be Executive Board Members.

The Executive Board may resolve, in respect of the next Executive Board Term, that the maximum number of Ordinary Executive Board Members shall be increased from the maximum number set out in Article K6(b) (and the number of vacancies to be filled at the relevant AGM pursuant to Article K9 shall be increased accordingly) by up to five (5) additional Ordinary Executive Board Members. Each such increase shall expire at the end of the Executive Board Term in which it took effect and the maximum number of Ordinary Executive Board Members shall revert to the maximum number set out in Article K6(b). The expiry of any such increase shall not preclude the Executive Board passing further resolutions from time to time to increase the maximum number of Ordinary Executive Board Members in respect of the next or subsequent Executive Board Terms so long as the maximum number of Ordinary Executive Board Members in appointment in any Executive Board Term does not exceed the aggregate of the number set out in Article K6(b) and this paragraph.

9. If there are more applications for appointment as an Ordinary Executive Board Member than there are positions available then the appointment of persons to fill the position of Ordinary Executive Board membership shall be decided by a vote of the Full Members at the relevant AGM in accordance with the following provisions:
- (a) each applicant will be designated by the Secretariat, in its sole discretion, as to whether it is an Operator, a larger OEM or a Small Vendor and the three applicants in each designation securing the most votes (if any) will be elected as Ordinary Executive Board Members (if, for any reason, the three applicants cannot be elected to fill the positions on the Executive Board reserved to any one designation then the unfilled positions shall be filled in the manner set out in Article K9(b)); then
 - (b) the positions remaining unfilled on the Executive Board shall be filled by those applicants not appointed pursuant to Article K9(a) securing the most votes at the relevant AGM.

Existing Ordinary Executive Board Members shall only have one vote when voting in this process. Such appointments shall take effect on and from the later of the close of the relevant AGM and the date on which the relevant applicants pays the Executive Board Membership Fee to the Small Cell Forum in full. The Executive Board shall not be entitled to waive the requirement for any Executive Board Member to pay its Executive Board Membership Fee.

10. There are no limitations on the ability of any Full Member to serve more than one or consecutive terms as Ordinary Executive Board Member.
11. If the number of Ordinary Executive Board Members is less than four (4), the continuing Ordinary Executive Board Members must not take any decision other than a decision to appoint further Ordinary Executive Board Members whose appointment shall be ratified by a simple majority at the next meeting of the Members (not including a Working Group meeting or Executive Board meeting).

14. References in this Article to eligible Executive Board Members are to Executive Board Members who would have been entitled to vote on the matter had it been proposed as a resolution at a meeting of the Executive Board. An Executive Board Member shall not be entitled to vote on any resolution in respect of the termination of its membership of the Small Cell Forum.
15. A decision may not be taken in accordance with this Article if the eligible Executive Board Member would not have formed a quorum at such a meeting. A quorum for a meeting of the Executive Board is 75 per cent of Executive Board Members entitled to vote upon the business to be conducted at the meeting (for such purposes the Chair and or any Vice Chair appointed at that time may be included).
16. Any Executive Board Member may call a meeting of the Executive Board at any time on seven (7) Business Days' notice.

17. A meeting of the Executive Board may be called by shorter notice if it is so agreed by a majority in number of Executive Board Members having a right to attend and vote at the meeting.
