

Small cells a runaway success!

Supporting peaks of 400 Active LTE UEs per cell

"We are proud that we helped China Mobile and ultimately the spectators at this mass event such that every picture, video and call could go through the network without any compromise on speed and quality. People were able to enjoy a great LTE performance." Yu Xiaohan, Head of China Mobile Customer Team, Nokia Networks

China Mobile deliver unmatched service experience at the Xiamen Marathon with Nokia Networks Flexi Zone Small cells
